

REMARKS

Election/Restriction

Applicant hereby elects Examiner-designated Group III, claims 62-66, along with new claims 69-72 which are directed to the same species, for further prosecution. Claims 59-61 and 67-68 are withdrawn pending allowance of a generic claim. Applicant respectfully requests that the non-elected claims be permitted to remain in the application for the time being, for purposes of a possible divisional application at a later date.

Newly-Added Claims 69-72

By this amendment Applicant adds new claims 69-72, which depend from independent claim 62. As these claims are based on elements of original claims 59-68, no new matter is added.

It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, he is invited to telephone the undersigned at the number provided.

Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
